

SPRAY CLEANER

Effective cleaner for lacquered and oiled floors

Kährs Cleaner is an effective product specially formulated for cleaning wood and vinyl floors. Does not contain any organic solvents or pigments. For normal daily cleaning. Ready to use.

Application

Make sure that the surface is free from any dirt or debris that may scratch the surface, by vacuum cleaning or dry mopping. Spray the cleaner directly on the floor or alternatively on the mop. Wipe off with a mop or cloth wetted with water and squeezed dry. When the cloth or mop becomes dirty, clean in water and squeeze dry and continue the cleaning of the floor.

Note: Store the bottle in an up-raise position.

Health and Environment

Kährs Spray Cleaner is not classified as hazardous to your health or the environment.

Precautions common for handling chemical products should be taken. For further information, please see the Material Safety Data Sheet.
