

Meltable Filler Sticks

Meltable wax bars for reparations of scratches and damages in wood or laminate flooring.

- Easy to use
- Solvent free
- The wax bars are melted into the damage with a melting device*
- The different colours of the wax bars can be mixed to get a perfect match to the floor
- After hardening, a couple of seconds, cut off surplus with a spatula and the reparation is done.
- Hard wax does not sink and is light proof.
- Unlimited shelf life
- Available in a set of 10 different colours*
- 11 colours are also available separately by 10 pieces

* A melting device and the set of 10 different wax bars are also available in the Kährs Repair Kit Pro, 710805
