DETAILED DESCRIPTION

All naturally occurring wood colour variations allowed, from light to dark brown. Sapwood may occur. The product includes very large sound and black knots and cracks. Knots and cracks will be present in all sizes and numbers.

Colour change: The smoked finish accentuates the natural colour variations, creating a stronger contrast between light and dark tones initially. Over time, the colour variations will soften, resulting in a more uniform overall appearance. The oiled surface will develop

Oil: This floor should be oiled immediately after installation
